How to Sponsor an Account

Environmental Health and Safety Services

Updated: May 10, 2021

BioRAFT: How to Sponsor an Account

- Why would I need to sponsor an account?
 - If an individual needs access to BioRAFT and:
 - has graduated and still participates in the laboratory
 - does not have a valid Syracuse University NetID
 - is a visiting faculty and/or staff member
- The individual that is being sponsored will receive a SU NetID and password in order to login to BioRAFT

BioRAFT: How to Sponsor an Account

- Please send an email to Information Technology Services (ITS) and request a sponsored account with the following information:
 - Full name (including middle initial, if any)
 - Permanent home address
 - Date of birth
 - Phone number
 - Current personal email
 - Is a Syracuse University email address needed? (Yes or No)
 - SUID # of the sponsor
 - Purpose (Need Access to BioRAFT platform)

BioRAFT: How to Sponsor an Account

- College Support Contact Information:
